

## VIZ FUNDRAISER INFORMATION

The Market Day Life Style brochure fundraiser starts Monday, Feb. 13th and runs through Friday, Feb 24th. The order packets have been distributed to the Academic Assist teachers.

When students turn in their orders - make sure that **student name is on the order form** - so we know how much they sold and can apply the funds to the correct DC account.

Parents can order online, they will have to enter the Identification number at the top of their student's order form to ensure proper credit (sales tax is charged if ordering online). The website for online sales is [marketdayfundraising.com](http://marketdayfundraising.com) and the school ID 210634 (this info is on the white information sheet in each packet).

Part of the proceeds will go toward the DC trip. For the **8th grade students, they will get 40% of their sales toward the DC Trip** and the **6th and 7th grade students will get 20% toward their DC trip.**

This is a great way to help pay off the DC trip!!

**Happy Selling!!**

Contact the PTO Board if you have any questions.
