**Food & Snack Guidelines for Activities or Events During/After School  
that Include Serving Food or Snacks to Students and Staff (PK-12)**

- No **home-baked/home prepared** snacks/foods
- Snacks/Foods must have an ingredient label for allergen verification
- Teachers/Advisors/Coaches/Parents must make accommodations for those students with additional food allergies beyond those accommodated in the suggested shared food/safe snack list (i.e.: strawberry allergy)
- Foods utilized in the classroom as an activity must be either prepared by a vendor, prepared by district cafeteria staff or store bought certified pre-cooked items
- Food for banquets, socials, meetings or team dinners must be either prepared by district cafeteria staff, prepared by a vendor, or store bought certified pre-cooked items. All food served must come from an approved food source. Food should be unopened and in a sealed package prior to use.  
There will be **NO home prepared foods permitted**
- Proper food preparation, safe handling practices, holding criteria and serving guidelines must be met when serving food to students and staff
