Brunswick City School District Parents:

Next week is the final week of the first semester. Some days, it feels like the school year has flown by, and on other days, I find myself in shock that we are still only in January! To be sure, this year has brought with it so many challenges for our students, families and staff. Despite these challenges, we have worked together to give our students the Brunswick educational experience. This experience is rooted in the relationships our teachers are able to build with our students. I wanted to take a moment and thank our teachers and our staff for all that they have done for our students this year. I continue to be impressed daily by what they do.

I also wanted to take a moment and encourage our students to finish the semester strong. I could only imagine how exhausted you all must be. What I have learned during my time here is that our Brunswick students are resilient, and you continue to show your resiliency as you navigate through this year. We are all proud of you.

The last day of the first semester for students is Thursday, January 28. As a reminder, Friday, January 29, students will not be in school as our teachers will be participating in professional development as well as wrapping up the first semester. Our second semester begins on Monday, February 1.

Have a great weekend!

Michael Mayell

Superintendent
