Dedicated to Excellence.

Prepared for the Future.

09.09.2020

Greetings-

I would like to take this opportunity to welcome our students and families to the 2020-2021 school year. As you are aware, the Brunswick City School District will be starting the year in a remote learning environment. The first day of school for students is Monday, September 14th. The district is anticipating a return to face-to-face in-person learning on Monday, October 12th.

During the time that we are in a remote learning scenario, it is our goal to provide nutritious meals to all students who need access to them.

Beginning the week of September 14th, we will have two pick-up days, Tuesday, September 15th, and Thursday, September 17th. The pick-up window for these two days is 10:00 AM - 11:00 AM. The number of meals provided on those days will cover non-pick-up days. Meal orders need to be placed by 6:00 PM on Sunday night. Completing the form at this [link](#) will allow for our cafeteria staff to prepare enough for those in need. During daily pick-up, parents and guardians or their designee will need to provide the name(s) of the student(s) that they are picking up for. One form will need to be completed for each student who will receive meals. Parents or Guardians will only need to sign up once and meals will be provided for the duration of the remote learning scenario.

Parents and Guardians or their designee may pick up meals by pulling up by the East Entrance of the High School between 10:00-11:00 AM on Tuesdays and Thursdays. Please stay in your car. You will be directed to give the name of your student(s). Please be aware that we are unable to accommodate food allergies or personal preferences.

If your child(ren) is in need of breakfast and lunch, please be sure to register at this [link](#) no later than Sunday, September 13th, by 6:00 PM.

Sincerely,
Jason A. Niedermeyer
