Dear Brunswick Families,

As a reminder, we are in the process of collecting feedback from parents about our remote learning framework. To access the parent survey, please click [here](#). This feedback will be used to help us make any needed adjustments to the remote learning schedule as we move to the second semester. Please complete this survey by Saturday, December 26th.

In the coming weeks, we will be reaching out to our families regarding what our second semester will look like. We will provide families with the option to indicate if you would rather have your children remain in remote learning (or in the 3rd party asynchronous curriculum for grades k-8) for the second semester. We are planning to have a town hall to discuss these options, tentatively scheduled for Wednesday, January 6th.

In closing, I would like to wish you all a very happy holiday season. I hope you and your families are able to rest and relax during the break. Please stay safe and healthy.

Michael Mayell
