Student of the Week!

Congratulations! You will be our student of the week for the week of _____________. I cannot wait to hear all about your favorite things! During your special week, you get to share fun facts about yourself, have a bulletin board dedicated to you, and you get to sit in the special “Student of the Week Desk”! What fun!

To help you get started, these are examples about my favorite things!

Animal: Dogs  Family: Mom, Dad, sister Olivia, and fiancé Mr. Atkinson
Color: Blue and Green  Hobby: playing sports and making crafts
Birthday: February 18th  Meal: Salad with chicken, strawberries, & blueberries

What are your favorite things? Please fill in below and return to school on Monday!
Animal: __________________________________________________________
Family: ______________________________________________________________________
Color: ______________________________________________________________________
Hobby: ______________________________________________________________________
Birthday: _____________________________________________________________________
Meal: ______________________________________________________________________

**** You may bring in pictures of any one or more of these things! Also, if able, please send in a picture of just your child to hang on the student of the week bulletin board****

If your child would like to bring in three of his/her favorite things (small), those items can be shared on ____________________________ at the end of the day with the rest of the class.

Thank you and Congratulations!

-Miss Henton
